

Library Hours Policy

1. Library hours are set by the Trustees, with consideration to the Library Manager's request and subject to the Town's allocation of yearly funds.
2. The goal of the Trustees is for the Library to be open a minimum of 27 hours per week, exclusive of weeks in which State or Federal holidays occur.
3. Library hours are set to accommodate the needs of both school children and adults. Accordingly, the hours may change at the start and end of each school year.
4. Library hours will be posted prominently outside the Library.
5. The Library will be closed on all legal State and Federal holidays, as specified in NH RSA 288:1 and RSA 288:2.
6. The hours may change, as appropriate.
